Senator John T. Smith, present member of the state senate from the Barren district, and one of the most prominent Republicans in this section, died of pneumonia at the home of Isham Biggers, two miles from Glasgow at an early hour Wednesday morning.

The bathtub trust has been indicted. Now comes the rub.

In Memory of Mary D. Lacy.

Mary D. Lacy died November 22, 1910, at her home on the Butler road, nine miles east of Hopkinsville. She leaves three brothers, Monroe, Marion and Frank Lacy, and many friends to mourn her untimely death.

She died of pneumonia, and everything was done that could possibly be done by loving hands for her recovery, but it was all in vain. The grim reaper claimed her.

After funeral services at the home, the remains were followed by a large concourse of people to the Shaw Cemetery, where they were laid to rest. She was a devoted Christian woman and to know Mary was to love her, and when we look back to her girlhood life and follow it up all the way to the present time we find no error in the home and out of the home. She was always the same self sacrificing, even temperament, and devoted to those who came under her care, and we can see what a perfect life hers was trusting everything to the Lord.

She had the misfortune to lose her mother when a girl, and she had to take the responsibility of the home while still young. We had the pleasure of visiting her in that home and we know how devoted she was and how ready she was to render service to her loved ones in time of need. She was ever true and faithful to the end, till the Lord said: "The harvest is ready, I have need of thee, come up higher."

As the sun knoweth his own going down, so the Lord knoweth when to call the righteous home.

He also knows when to break our bonds asunder and call us out of the shadows of death up to the realms of glory. For our lives here are like the flower that springeth up in the morning, and flourish but a day, and ere the shadows of the evening disappear they are cut down, withered and dead.

So it seems that in the midst of life we are in death, but the Father of all mercies and the God of all comfort holds heaven's gate ajar and who so ever will can enter in.

Yes Mary, we loved you,
But the Lord had need of you
To hold heaven's gates ajar for
Your loved ones to enter through.
M. W.

Wets Lose Victory Won.

The Court of Appeals has declared the election in Nicholasville, in which the city went "wet," void because a special registration was held within five days before the election and because the voters did not present their registration certificates when they voted.

cert at the Theatre at 7:30
Each Evening.

Prices—25, 35, 50 and 75c. One half
price for children.

A SCENE FROM "THE MAN OF THE HOUR."

That the return of "The Man of the Hour" this season at Holland's Opera House December 14 will mean a crowded house goes without saying. This play is George Broadhurst's greatest effort and is the strongest American play ever written. It is a play for the people who like their heart strings played up on and who cling to the old beliefs about rugged honesty and love for man and woman. It is full of surprises, heart interest, buoyant comedy. Managers Wm. A. Brady and Jos. R. Grismer's special company will be seen during this engagement.

POPULAR DOCTOR TO LEAVE ELKTON

Dr. Perkins Will Move to
Hopkinsville Not Later
Than Dec. 15.

Dr. Thoruton W. Perkins will on or before the 15th of Dec. remove to Hopkinsville, and will engage in the practice of his profession in that city.

News of Dr. Perkins' decision to leave Elkton will be received with regret by his many friends and extensive clientele in the town and vicinity. He has built up a splendid practice, and leaves it simply because of the fact that the larger city naturally affords the best opportunities for the establishment of a successful professional career. He is splendidly equipped for his work, having graduated at the Baltimore College of Physicians and Surgeons, and having the advantage, also, of practical experience of a surgeon with the United States Army in the Philippines and as physician in the City Hospital of Baltimore and the Maryland Hospital. He located in Elkton in 1904, has enjoyed a lucrative practice ever since, and is also highly popular socially.

Friends of Dr. and Mrs. Perkins sincerely regret that the community is to lose them, but extend their heartiest good wishes for their success and happiness in their new home.

RENOUNCES HUSBAND.

Remarkable Action of Indiana Woman.

Richmond, Ind.,—In a remarkable deathbed confession Mrs. Clark Howard, of New Paris, Ohio, renounced her love for her husband, who had been her companion for 20 years, and reaffirmed her love for Daniel Desman, who years before had divorced her. Both men stood beside the bed and heard her story.

The two men, who had been strangers to each other, wept as the woman lay dying. Nearby stood the three Desman children, whom the mother had not seen for 20 years.

Night Rider Echo.

Carlisle, Ky., Dec. 8.—The census of 1910 gives Nicholas county a population of 10,601 as against a population of 11,952 in 1900, a decrease of 1,351 in the ten years. Citizens are discussing the cause of the decrease, and many are assigning the tobacco troubles as a cause. There had been a heavy emigration to the Southwest, principally to Oklahoma, from this county in the past few years. Some claim that the buying up of small farms by larger land owners and the emigration of smaller land owners is one cause.

BETSY ROSS WAS NOT FLAG MARKER

Former Governor of Massachusetts Says Putnam Created Stars and Stripes.

Former Gov. Curtis Guild, at the children's hour at the Old South meeting house, Boston, said that Gen. Israel Putnam was the creator of the American flag and not Betsy Ross.

Mr. Guild brought to the meeting a large collection of American flags. He cautioned the children to remember that the "Star Spangled Banner" and not "America" was the national song.

"Israel Putnam created the flag and not Betsy Ross," he said. "She only suggested that the stars be five-pointed instead of six pointed. Betsy Ross had nothing to do with the flag except to sew it together. The credit ought to go where it belongs."

Sunflower Seed.

One hundred carloads of sunflower seed have been shipped out of Hamilton county, Ill., in the last two months. A carload weighs 30,000 pounds and the whole crop brought the farmers about \$60,000. The yield is from 500 to 1,000 pounds per acre, depending upon the quality of the soil.
